Areas of interest

Photonic Integrated circuits, Photonic Band Gap Structures, MOEMS

Major facilities available in lab

Ti: LiNBO₃, Si (basic fab)

Optical wave guide device characterization upto X-band

WDM Lab (OSA, BER, etc)

Courses handled

Optical communication and networking

Photonics integrated circuits

Micro sensor technology

Project training facilities available to outside persons and persons to be contacted with email

Interaction/collaboration welcome

Other details

IEEE/LEOS senior member of 20 years

Student activities chair, IEEE Bangalore section.
